

# Welcome Back!

## Sycamore Valley Elementary School Second Grade

Dear Second Grade Parents,

In the past, a donation and a supply list were part of the Back-to-School experience. This year, the second grade teachers are requesting a \$120.00 donation fee. Forty dollars of your contribution will be used to provide technology and music instruction for each class throughout the school year. The rest of your donation will be used to cover the costs of classroom supplies. These supplies will be purchased for you using our educational discount through Office Depot. Copying, laminating, and computer costs will also be covered by the donation.

A separate “Housekeeping” supply list will be distributed by individual teachers at Back-to-School Night, requesting the donation of items such as: paper towels, tissues, baby wipes, etc. Please note that supplies needed may vary from classroom to classroom, due to each teacher’s organizational style. No other additional fees should need to be collected during the school year.

We are looking forward to the coming school year and meeting you on the first day of school, as we welcome your child to second grade!

Thank you for supporting our program!

Sincerely,

The Second Grade Team
