

# Sycamore Valley Elementary SHARK BITES

## Message from Patricia Kawahara - Principal February 29, 2024

---

Dear Sycamore Valley Families,

I hope you and your family are well.

Last Friday we had our African American History Showcase event. There was work from each class as well as projects from PTAs SLAM program. The students did an amazing job sharing their learning and the teachers did an amazing job infusing the projects with student voice and choice, collaboration and STEAM elements. A giant thank you to Liz Sorley and Christy Lucia for heading up this project and to all the volunteers who pulled it together for us. We have been busy at Sycamore settling into the first of three regular weeks. TK students are working on nursery rhymes and will embark shortly upon space exploration, Kinder kiddos are finishing up their winter studies with penguins, first grade is diving into geometry, 2nd grade is studying heroes, third grade is exploring area by designing their dream houses, fourth graders are continuing their study of California History with a field trip to Sacramento and fifth grade is working on colonies and their annual Pillow Pets project. Our Sharks are thinking deeply as they apply their learning! Keep reading for some dates to remember, information about the April Read Alouds, Words Matter Week and SRVUSD updates.

**Dates to Remember:**

**Words Matter Week:**

Next week is Words Matter Week. This year's Words Matter events are truly a collaborative effort, with the No Place for Hate student club, Student Leadership club and the PTA planning events.

Monday	Teen Esteem	Assemblies TK-5 (see schedule in Dates to Remember)
Tuesday	No Place for Hate	Take a kind word
Wednesday	Student Leadership	Spirit Day - wear clothing with inspirational word, or something that makes you happy, or Sycamore Blue
Thursday	PTA	Word Bank
Friday	PTA	Kind messages

**SRVUSD Updates:**

**[New 'Daylighting' Law \(COMMS\)](#)**

*Did you know that a new 'daylighting' law went into effect on January 1st? Drivers are now required to leave a 20-foot buffer zone between their parked car and any marked or unmarked crosswalk. The purpose of 'daylighting' is to create a clear line of sight for motorists approaching a crosswalk, thus making the crosswalk safer for pedestrians.*

*Since crosswalks near schools can be especially crowded during school hours, we ask that you please spread the word about this important new law. Help keep our students and community safe!*

**Events Calendar, Shark Fund and PTA information below - keep scrolling!!**

Thank you,  
Patricia Kawahara
